Validity of this certificate from: 7th Jul 2023 to 23rd Jun 2026

Resubmission time: 13th Jun 2023 to 17th Jun 2023

Abstract. Influencing the behavior of individuals in organizations is a complex task. This paper discusses the importance of understanding the social context of the organization and the role of the manager in this process. It also explores the challenges of implementing change and the need for a supportive environment.
